

29 March 2025

Dear colleagues, just a short note to let you know of exiting activities that will take place with EUROSOIL and other relevant updates.

★ **The “5th EU-Soil Observatory Stakeholders Forum - Cutting edge developments with the EU Soil Mission” will take place during the EUROSOIL.**

More info: <https://esdac.jrc.ec.europa.eu/euso/stakeholders-forum>

The EUSO Stakeholders Forum is an open and inclusive platform bringing together soil scientists, policy makers, regional and national representatives, land managers and interested citizens. It also aims to support citizen engagement and the drive towards a societal change in the perception of soils. This important soil event will be done as a parallel session and is scheduled for Tuesday 9 September.

★ **Publish your full work or case studies presented in EUROSOIL.**

More info: <https://www.eurosoil2025.eu/eurosoil2025/publications>

A special Issue of the prestigious soil publication “European Journal of Soil Science” is under preparation (full details will be released soon in the webpage). Other options for publication of the full papers will be released in the near future.

EUROSOIL and CABI are pleased to announce the **Soil Science Case Study Competition** for delegates of EUROSOIL 2025. We invite submissions that showcase real-world applications of soil science research and practice.

Submission deadline: July 4, 2025

The winning case study will be announced at EUROSOIL 2025. The author team will receive a **£500 prize**.

★ **EUROSOIL Early Registration Fee and Session Proposals extended.**
