

05 May 2025

Dear colleagues, just a short note to let you know that an important deadline is approaching, new activities and sponsors.

✳️ **Regular abstract submission deadline is a few days ahead: May 15th, 2025**
Share your research with the global soil science community and ensure your oral slot. Submit your abstract to EUROSOIL now. Note that a **last minute submission deadline is also available (Jul 15th)**, but your abstract will be considered **only as a poster** presentation.

More info: <https://www.eurosoil2025.eu/eurosoil2025/call-abstracts/guidelines>

✳️ **The EUROSOIL General Topics have evolved!**

Take a look to the **Sessions** already **proposed by participants**. The programme is now continuously evolving and many more Sessions are expected to be open by the Scientific Committee after reviewing the abstracts received. Also a number of **specific Workshops** are being organized and will be **will published soon**.

More info: <https://www.eurosoil2025.eu/eurosoil2025/general-topics>

✳️ **Call for Grants!**

Grants to facilitate the participation of students and young scientists at EUROSOIL2025 are being opening by the corresponding national Soil Societies. Please contact the Soil Science Society of your country for further information. **Confirmed** open calls for Sociedad Española de Ciencias del Suelo (**SECS**) and **coming soon** from Sociedade Portuguesa das Ciências do Solo (**SPCS**).

More info: <https://www.eurosoil2025.eu/eurosoil2025/general-topics>

✳️ **The "5th EU-Soil Observatory Stakeholders Forum - Cutting edge developments with the EU Soil Mission" will take place during the EUROSOIL.**

The **European Union Soil Observatory (EUSO)** will host **one day of its 5th Stakeholder Forum as an in-presence event during EUROSOIL 2025**. The forum provides a platform for interaction and knowledge sharing among the soil community, with a focus on the Soil Mission projects.

More info: <https://esdac.jrc.ec.europa.eu/euso/stakeholders-forum>

✳️ **Publish your full work or case studies presented in EUROSOIL.**

A **special Issue** of the prestigious soil publication "**European Journal of Soil Science**" is now open. Other options for publication of the full papers is on its way, including **Frontiers in Soil Science and Agronomy**, will be released in the near future.

More info: <https://www.eurosoil2025.eu/eurosoil2025/publications>

EUROSOIL and CABI are pleased to announce the **Soil Science Case Study Competition** for delegates of EUROSOIL 2025. We invite submissions that showcase real-world applications of soil science research and practice. Submission deadline: July 4, 2025. The winning case study will be announced at EUROSOIL 2025. The author team will receive a **£500 prize**.

The Journal Biology and Fertility of Soils will award the **best poster presented at EUROSOIL2025 by a young scientist** in sessions whose scientific area is covered by the journal. The winner will receive a **free online access to the journal for a period of 12 months and a book of choice worth EUR 150,00** on the Springer.com platform. (full details will be released soon).

🌐 Meet Us at EGU 2025 in Vienna!

Thank you for all the colleagues that meet us during the **EGU General Assembly** in Vienna, Austria (**April 27th–May 2nd, 2025**) in Exhibition Hall X2. **We are also in the social media: Facebook and X (@Eurosoil2025).**

See you in Seville next September!

Here comes the soil!
