Dear colleagues,

We are delighted to announce the release of the **preliminary daily programme for EUROSOIL2025!** More than **1,100 abstracts** have been received that will be presented in **380 oral communications, 70 flash orals and up to 780 posters.**

We sincerely thank all contributors for their excellent work and the confidence placed in this initiative. Special thanks go to the **EUROSOIL2025 organizing team** and, in particular, to our Scientific Committee—a group of highly qualified soil experts—whose dedication and tireless efforts over the past days have been instrumental in completing a rigorous review process, resulting in an outstanding scientific programme.

In addition to the scientific sessions, we are pleased to offer a **vibrant social agenda**, including live concerts, a Spanish wine tasting, a gala dinner, and a farewell party—all designed to foster networking and community engagement.

Finally, we would like to express our heartfelt gratitude to the **33 organisations and companies** whose generous support has made this event possible, and to all participants for their enthusiastic engagement.

We look forward to welcoming you to an inspiring and impactful EUROSOIL2025!
